

# SNAG® Inflatable a unique Event Module for multiple sport activities

SNAG Inflatables provide an attractive activity for numerous events such as: golf events, charity and family events, summer parties and corporate days.

They are the perfect solution for businesses, educational institutions and organisations who wish to showcase their brand through sport. They offer participants fun opportunities to test their throwing, kicking and hitting skills using different sized balls and clubs. SNAG is easy to play and understand. Players hit balls towards large targets with the Hook and Loop system.

SNAG Inflatables offer fun multi sport activities for everyone.

### Small (1-4 Bay)

The 1-4 Bay Inflatable offers the possibility to play on one to four sides, depending on the number of the suspended targets used. (Use of one to four sides is possible, depending on the individual requirements and the available space).
