# FUNITY® GOLF PARK

## Complete Solution

### Planning & Design

*We deliver the complete package of strategic planning and design for FUNITY® Golf Park*

### Construction

*We build the short course and practice area using synthetic turf on tees and greens*

### Equipment

*The full range of SNAG® and on course equipment will ensure customer satisfaction and bring fun to all ages*

### Marketing

*The marketing package contains all the necessary elements required to promote your Funity® Golf Park along with digital and social media support*

### What makes FUNITY® friendly?

Funity® provides a modern solution that is perfectly suited to current market demands, and what is even more exciting it's for everyone. Optimal family entertainment, that brings fun to all ages, while developing new golfers.

The Funity® Golf Park is for everyone and fits perfectly inbetween miniature golf and traditional golf (juniors, adults, seniors, families, companies and all kinds of groups who love to have fun together).

1 People can start playing straight away without training sessions or a big investment in equipment!

# FUNITY® COURSE

The Funity® Golf Park includes a short course with 6 holes, lengths ranging from 25m-100m.

The greens and tees are built using synthetic turf, giving you playability all year round.

The cups used on the course are over three times larger than a standard golf hole.

All this makes the course quicker to play, easy to enjoy and more fun for everyone!

SCORING CARD
